LINDENWOOD RANKS TOP 5 FOR BEST DEGREE PROGRAMS IN U.S.

March 3, 2021

By Kat Townsend

For those who desire to pursue a college degree, choosing a university can be both an exciting and intimidating step. It's important for students to know that they have made the best choice possible in choosing a university that will give them a quality education and prepare them for their future. Recently, Lindenwood University was recognized for their exceptional degree programs. Two websites that assist with the college-selection process, Study.com and Intelligent.com, recently ranked several degrees offered at Lindenwood as some of the highest in the country. Lindenwood's Bachelor of Arts in Human Resource Management degree was ranked #5 in Best Bachelor Degrees in Human Resources by Study.com for 2021. This site is visited monthly by over 40 million people searching for their perfect academic match. Their site lists Lindenwood University as a great choice for students pursuing a career in HR, and credits our small, engaging classrooms and accessibility of faculty to preparing students for success. Intelligent.com also assess 2,277 accredited universities to determine what colleges in the U.S. will give students the best chance at accomplishing their goals and preparing them for their future careers. Their assessments are based on "curriculum quality, graduation rate, reputation, and post-graduate employment." Among these several colleges, Lindenwood made the site's final list for 20 degree programs. Some of the most notable rankings are number 1 for Game Design, number 1 for Master's in Organizational Leadership, number 2 for MBA's in Finance, number 2 in Master's in Creative Writing, and number 2 for Master's in Music Education. Lindenwood University is standing out nationwide for all the right reasons, and it is safe to say that students will leave here confident and prepared for what lies ahead.
