Network with Industry Professionals at the Internship and Career Fair

February 21, 2022

****February 23, 2022: Due to forecasted inclement weather, the event has been postponed. Additional information will be shared upon rescheduling.****

The Spring 2022 Internship and Career Fair will take place in-person Thursday, February 24 in the Evans Commons Rec Center.

The Internship and Career Fair is intended to provide students and alumni with a venue to network with industry professionals and learn about internship and employment opportunities. These events provide employers with the chance to increase awareness of their organization on campus, promote internship and employment opportunities and to recruit potential candidates to their business.

Students are encouraged to visit the university [Handshake webpage](#) prior to the fair for a list of attending employers and where they will be located during the event. Attendees should also bring multiple copies of their resumes. The Lindenwood [Career Center](#) is available to review and assist with resumes if needed.

More information and tips can be found on the [career events](#) page.
