Online Computer Networking Degree Ranked Ninth

March 30, 2022

This February, Lindenwood University was recognized as having one of the top online computer networking degrees by College Values Online.

College Values Online selected thirty universities and ranked Lindenwood ninth. This ranking considered cost of tuition, return on investment, and student-to-faculty ratio.

College Values Online's mission is to provide assistance in selecting the best college for each individual situation by offering rankings of schools and various degree programs, in addition to information on numerous career options from a value perspective.

The online computer networking degree at Lindenwood offers a Bachelor of Science in [information technology with an emphasis in networking](#).
