Dear colleagues,

With the recent announcement from Fontbonne University, our thoughts extend to the many students, employees, families, and proud alumni navigating this time. We know this disrupts the plans of many talented students and we want to do our part to help.

Lindenwood University is committed to serving students in the greater St. Louis region and we are eager to support Fontbonne students in completing their degree and reaching their goals. [We have a dedicated website and our transfer admissions staff members are ready to assist.](#)

As a trusted partner chosen by Fontbonne University, Lindenwood is committed to providing a seamless transition. With a 100% college-level credit transfer, and personalized support at every step of the transfer process, we will make sure students can graduate on time and at a cost parallel to their Fontbonne investment.

Over the coming weeks and months as Fontbonne students explore their options, know that Lindenwood stands ready to support and welcome these students to our community. For more information, please contact our dedicated Fontbonne Transfer Support Team.

Sincerely,
John R. Porter, EdD
President
