FOR IMMEDIATE RELEASE:

October 23, 1974

The Art Department of The Lindenwood Colleges will sponsor an exhibit and sale of approximately 1,000 original prints from the Ferdinand Roten Galleries collection on November 11, 1974. The event will be held in the Fine Arts Building, Room 205, on the Lindenwood campus.

Works spanning six centuries will be featured in the show, which will include prints by such masters as Rouault, Hogarth, Goya, Miro, and Picasso, and many of today's artists, famous and not yet famous. In addition, there will be a collection of Western and Oriental manuscript pages, some dating to the 13th century. Prices range from \$10 to the thousands, but most prints, including those of the masters, are under \$100.

Area residents will have an opportunity not only to view but to leaf through one of the world's outstanding collections of original graphics. A world-respected authority on graphics of all types, Roten mounts over 400 exhibits annually for major museums throughout the United States and Canada. These exhibits, utilized by museums to extend the range of their shows, are in addition to the 1,500 exhibits and sales arranged by Roten each year for universities, community organizations, and corporations.

All of the works in the forthcoming show are displayed informally so that visitors may see each print at close range. The public is invited to come in, browse, ask questions about the work, artists, and the various graphic techniques. Exhibit hours are from 11 a.m. to 4 p.m. For further information contact Mr. Harry Hendren at Lindenwood, 723-7152 or (toll free) 946-6912, ext. 241.
